

A new Protestant church

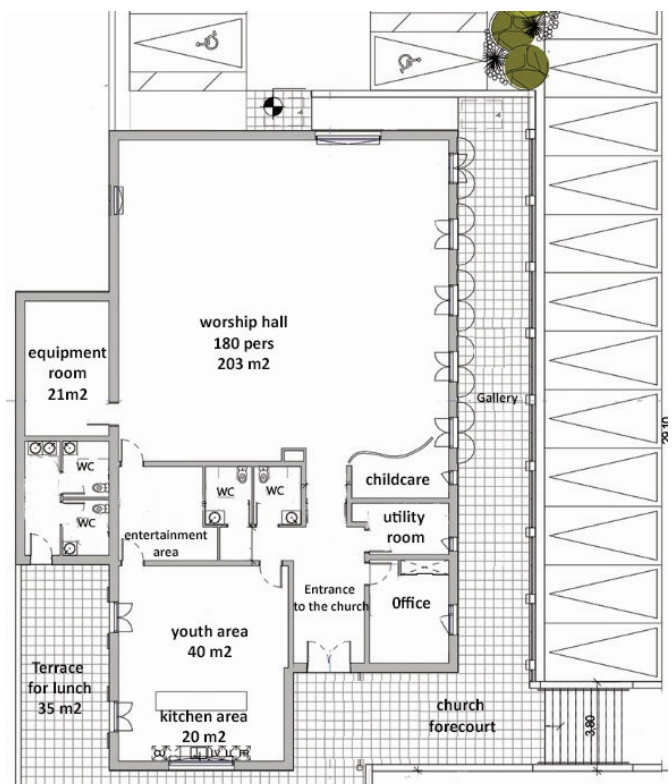

The development will comprise two buildings set within a 7,250 m² green space :

– **the 560 m² parish centre :**

- a place of worship with 180 seats, featuring a gallery opening onto the outside and a children's area; the whole complex will be equipped with audio-visual facilities ;
- a youth hall equipped with a kitchen ;
- a reception office ;
- lovely terraces to extend the pleasure of being together ;
- outdoor facilities (showers, toilets) for camping.

– **A 140 m² vicarage** comprising 3 bedrooms, an office, a large living room, a dining room and a kitchen. Currently, the pastor lives near Montpellier, which involves an 80 km round trip to the Clermont region.

45 parking spaces are also planned, along with disabled access.

The National Union of the United Protestant Church of France will be the owner and project manager for the construction.
